welcome you to the Chamber. Thank you for being with us. There are no other lights on. Senator Bromm, did you wish to close on the committee amendments?

SENATOR BROMM: Thank you, Mr. Speaker. We've had a thorough discussion and we do have two or three items Senator Beutler and Senator Chambers have asked about that we will look at and do some research on between now and Select File. I appreciate their cooperation in that regard. I would encourage the body to advance the bill. The committee amendments become the bill. And I think these changed some provisions in the law that really need to be addressed, so I would ask for your support in advancing the bill. Thank you.
